Hello,  
We will have people on site for two types of preventive maintenance from Mon., Dec. 19 - Thurs., Dec. 22.

Caley and Whitmore will be here for the microscope PM beginning on Mon., Dec. 19 through Tues., Dec. 20.

B&V Testing will be here for the hoods beginning Tues., Dec. 20 through Thurs., Dec. 22.

We will schedule all PM work for the secured labs to begin on Tues., Dec. 20 at 8 am. All representatives from secured labs must report to room 202 on Tues., Dec. 20 at 8am in order to complete the paperwork for the service techs.

I will send out a tentative schedule for both types of PM later today.

Peggy
